1. Concept

1.1 Background

Chambal Fertilisers and Chemicals Limited (hereinafter referred to as “Chambal or “Company”) is engaged in various social initiatives through its interventions in the area of Education, Rural Development, Healthcare, Women Empowerment, etc. These initiatives are carried out by itself, in partnership with NGOs or the Government agencies. In order to provide impetus to social interventions and make the entire process and activities more efficient, it is imperative to outline the Corporate Social Initiatives of Chambal into a formal document.

1.2 Title & Scope

- a) This policy shall be called ‘Chambal Corporate Social Responsibility Policy’ or ‘Chambal CSR Policy’. It outlines the Company’s philosophy and responsibility as a corporate citizen of India and lays down the guidelines and mechanism for undertaking socially useful programs for inclusive & sustainable development of the community, in and around its area of operations and other parts of the country.
- b) This policy shall apply to all Corporate Social Responsibility (“CSR”) initiatives & activities taken up by the Company at the various locations in India, for the benefit of different segments of the society at large, specifically the deprived and underprivileged.
- c) This policy is in compliance of Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014 (the Rules).

1.3 CSR Vision Statement and Guiding Principles

Chambal is committed to building a sustainable enterprise for the benefit of its present and future generations of stakeholders. The Company shall integrate and follow responsible practices into its business strategies and operations, to manage the three challenges – economic prosperity, social development and environmental integrity.

Towards this commitment, the Company shall:

- a) Build a sustainable enterprise that effectively balances financial strengths with social and environmental responsibilities.
- b) Deliver sustainable top-line and bottom-line growth while maintaining the highest corporate governance standards.
- c) Reduce its environmental footprint by investing in eco-friendly and reliable technologies and practices.
- d) Increase efficiency by optimum utilization of resources and technology.
- e) Promote sustainable farming practices to boost crop productivity in rural India through its soil testing facilities and other advisory services.
- f) Work towards improving the quality of life by making the communities self-reliant in areas within which it operates.
- g) Build lasting social capital through interventions in the rural development, healthcare, education, vocational training and other social initiatives for the community residing in the vicinity of its plants and other places in India.
- h) Ensure welfare, growth and safety of all people associated with the Company.
- i) Promote inclusive growth and equal opportunity by remaining a caste, gender and religion neutral organization.

2. Resources

2.1 Funding & Allocation
