Item No. 10

The Board of Directors at its meeting held on September 18, 2014 had constituted a committee of the Board of Directors ("Strategy Committee") to evaluate the opportunities in non-core businesses of the Company. The Board had also authorized the Strategy Committee to appoint independent consultants for looking into possible options for monetization of the textile business of the Company, namely Birla Textile Mills ("BTM").

The Strategy Committee came to the prima facie view that the sale and transfer of the BTM by the Company is the most feasible option in the current scenario in light of (a) there being limited scope for expansion of BTM at the current location in the state of Himachal Pradesh, as the land in the factory premises is fully utilized, (b) necessity of further capital expenditure of around Rs. 50-60 crore in coming years to maintain the productivity and keep the unit cost competitive; and (c) downward trend in the textile business.

The Company appointed Price Waterhouse & Co. LLP ("PWC") for conducting valuation of BTM as at December 31, 2014 and Motilal Oswal Investment Advisors Private Limited ("Motilal Oswal") was appointed to give its Fairness Opinion on the valuation conducted by PWC.

Discussions were held with different parties for sale / disposal of BTM but the same did not reach any fruitful conclusion. Then, Sutlej Textiles and Industries Limited ("STIL") evinced their interest in purchasing BTM from the Company.

In light of the valuation report dated March 11, 2015 of PWC and fairness opinion dated March 13, 2015 of Motilal Oswal, the proposal for sale of BTM to STIL was evaluated by Strategy Committee in its meeting held on March 14, 2015 and it was recommended for approval to the Audit Committee.

In terms of section 2(76) of the Companies Act, 2013 read with Companies (Removal of Difficulties) Fifth Order, 2014 dated July 09, 2014, any public company in which a director or manager is a director and holds along with his relatives, more than 2% of its paid-up share capital is to be treated as a 'related party' of the Company. Mr. Chandra Shekhar Nopany, a director of the Company is also a director and Chairman of STIL but he and his relatives do not hold more than 2% of the paid-up share capital of STIL. Thus, STIL is not a related party of the Company in terms of the aforesaid provision. However, Mr. Chandra Shekhar Nopany holds along with his relatives, more than 2% of the paid-up share capital of the Company. Thus, the Company will fall within the ambit of a "related party" of STIL. In light of the aforesaid, as a measure of an abundant caution, the Company has treated the present transaction as a related party transaction and sought approval from the Audit Committee as well as seeking a shareholders approval for the same.

The Audit Committee in its meeting held on March 14, 2015 after evaluating the proposed sale of BTM to STIL approved the same and was of the view that the transaction is on arm's length basis. They recommended the same to the Board for its approval.

Thereafter, based on the valuation report dated March 11, 2015 of PWC, fairness opinion dated March 13, 2015 of Motilal Oswal and other factors and recommendations of the Strategy Committee and Audit Committee, the Board of Directors approved, subject to approval of the shareholders and other requisite approvals, sale of BTM to STIL, together with all its assets and liabilities/ obligations of whatsoever nature and transfer of its employees to STIL, as a going concern on slump sale basis with effect from April 1, 2015 in compliance with the provisions of Section 2(42C) of Income Tax Act, 1961.

The Company and STIL have entered into a Business Purchase Agreement dated June 30, 2015 ("**Business Purchase Agreement**") for sale of BTM to STIL for a consideration of Rs.232.63 crore less term loans from banks outstanding as on April 1, 2015 and being transferred as part of BTM (subject to closing and other adjustments) and other terms and conditions, as contained in Business Purchase Agreement. The transaction is also subject to fulfilment of certain conditions precedent as contained in the Business Purchase Agreement.

The Competition Commission of India has also accorded its approval to STIL for the aforesaid transaction vide its letter dated June 9, 2015 read with order dated June 5, 2015.

The other relevant information for the present transaction is as follows:

1.	Name of related party	Sutlej Textiles and Industries Limited
2.	Name of Director or key managerial personnel who is related	Mr. Chandra Shekhar Nopany, Director
3.	Nature of relationship	Mr. Chandra Shekhar Nopany, a director of the Company and member of the promoter group of the Company is also a director and Chairman of STIL but he and his relatives do not hold more than 2% of the paid-up share capital of STIL. Thus, STIL is not a related party of the Company. However, Mr. Chandra Shekhar Nopany holds along with his relatives, more than 2% of the paid-up share capital of the Company. Thus, the Company will fall within the ambit of a "related party" of STIL.

4. Nature, material terms, monetary value and particulars of contract or arrangement	<p>Sale of textiles business of the Company to STIL as a going concern on slump sale basis.</p> <p>The broad terms of the Business Purchase Agreement are as follows:</p> <ol style="list-style-type: none"> The total consideration payable by STIL to the Company for the sale, grant, assignment, transfer and delivery of BTM is Rs. 232,63,00,000 (Rupees Two Hundred Thirty Two Crore and Sixty Three Lac only) less term loans from banks outstanding as on April 1, 2015 and transferred as part of BTM (subject to closing and other adjustments). Working capital loans in BTM books outstanding as on Appointed Date shall be retained or repaid by the Company. Appropriate indemnity is being provided to STIL for claims and litigations (including labour related matters, if any) which may arise on or after April 1, 2015.
5. Any advance paid or received for the arrangement, if any.	<p>STIL has paid an advance of Rs. 5 Crore to the Company. If the conditions precedent are not fulfilled on or before September 30, 2015 or such other date as may be mutually agreed between STIL and the Company, the Business Purchase Agreement may be terminated by either party by giving 30 (thirty) days' notice in writing to the other party. In the event of such termination, the Company shall refund the advance payment of Rs. 5 Crore to STIL without any interest within 7 days of such termination.</p>

The Company is not seeking approval of shareholders in terms of Section 180 of Companies Act, 2013 since BTM is not an "Undertaking" within the meaning of the aforesaid provision as neither the investment of the Company in BTM exceeds 20% of the net worth of the Company as per the audited balance sheet of the Company as at March 31, 2015 nor BTM generated 20% of the total income of the Company during the Financial Year 2014-15. Further, the proposed transaction for sale of BTM to STIL is also not a 'material related party transaction' as per Clause 49 of the listing agreement and the 'Policy on related party transactions' of the Company.

In pursuance of Section 188 and other applicable provisions of the Companies Act, 2013 read with Rule 15(3)(a)(ii) of the Companies (Meeting of Board and its Powers) Rules, 2014, in case a Company sells or disposes-off property of any kind exceeding Rs. 100 crore to a related party, it shall obtain prior approval of shareholders by means of an ordinary resolution. As explained above, the Company has treated the present transaction as a related party transaction and is therefore seeking approval of shareholders for the same by passing the resolution set out at Item No. 10 of the Notice as an ordinary resolution.

The documents referred to in the Notice and the Explanatory Statement i.e. the Business Purchase Agreement, copies of the letter dated June 9, 2015 and order dated June 5, 2015 of Competition Commission of India, valuation report dated March 11, 2015 of PWC and fairness opinion dated March 13, 2015 of Motilal Oswal shall be available at the Registered Office of the Company and copies thereof shall be available at the Corporate Office of the Company, for inspection by shareholders without any fee from 0930 hours 1730 hours on all working days (except Saturdays) up to the date of Annual General Meeting. The aforesaid documents shall also be available for inspection without any fee at the Annual General Meeting.

As on June 30, 2015, none of the directors or key managerial personnel of the Company was holding 2% or more shares in the paid up share capital of STIL.

As explained above, Mr. Chandra Shekhar Nopany is interested in the resolution as set out in Item No. 10 of the Notice. The relatives of Mr. Chandra Shekhar Nopany may be deemed to be interested in the resolution to the extent of their shareholding interest, if any, in STIL.

None of the other directors and key managerial personnel or their relatives (save and except their shareholding interest, if any, in STIL) is concerned or interested, financially or otherwise, in the resolution.

The Board commends the resolution for your approval.

Item No. 11

The existing Articles of Association of the Company (the "Articles") are in line with the relevant provisions of the Companies Act, 1956 read with rules framed thereunder and several provisions in the existing Articles contain references to specific sections of the Companies Act, 1956.

With the enforcement of the Companies Act, 2013 read with relevant rules framed thereunder (the "New Act"), it is prudent that a new set of the Articles be adopted, so as to align the existing Articles with the relevant requirements under the New Act.

Accordingly, the Board of Directors of the Company at its meeting held on April 30, 2015, subject to necessary approval of the members of the Company, decided to amend the existing Articles by adopting a new set of Articles in line with the provisions of the New Act.

As per section 14 of the New Act, an approval of the members of the Company, by way of a Special Resolution, is required for any alteration of the Articles.

The draft of the proposed new Articles shall be available for inspection by members, without any fee, at the Annual General Meeting and at the Company's Registered Office and the Corporate Office, from 0930 hours to 1730 hours on all working days (except Saturdays) up to the date of Annual General Meeting.

The Board commends the resolution for your approval.

Item Nos. 12 and 13

The shareholders of the Company at their meeting held on August 27, 2010 approved CFCL Employees Stock Option Scheme 2010 for grant of maximum of 41,62,000 employees stock options to the eligible employees of the Company, each stock option convertible into one fully paid-up equity share of the Company having a face value of Rs. 10/-.

Pursuant to the provisions of CFCL Employees Stock Option Scheme 2010, the shares to be offered to the eligible employees (the "option holders") on exercise of the employees stock options would have been by way of either subscription of fresh shares issued by the Company (by the eligible employees) or transfer by 'CFCL Employees Welfare Trust' ("Trust"), which shall either buy shares from the secondary market or directly subscribe the shares of the Company.

The Securities and Exchange Board of India (SEBI) vide its Circular No. CIR/CFD/DIL/3/2013 dated January 17, 2013 read with circular No. CIR/CFD/DIL/7/2013 dated May 13, 2013 had prohibited trusts / employee benefit schemes involving securities of a company from acquiring the company's shares from secondary market. Accordingly, the shareholders at their meeting held on September 13, 2013 approved amendments in CFCL Employees Stock Option Scheme 2010 in

order to align it with the aforesaid SEBI circulars. The amended CFCL Employees Stock Option Scheme 2010 does not have provision for purchase of shares by the Trust from secondary market.

SEBI on October 28, 2014 promulgated the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 ("ESOP Regulations") bearing no. LAD-NRO/GN/2014-15/16/1729. Under the ESOP Regulations, the Company may implement employee stock option scheme through irrevocable trust and the trust can purchase shares from the secondary market for the purpose of employee stock option scheme. The Company is required to align CFCL Employees Stock Option Scheme 2010 with ESOP Regulations within one year from the coming into effect of ESOP Regulations.

The Company proposes to implement revised CFCL Employees Stock Option Scheme 2010, as amended by these resolutions, ("ESOS 2010" or "Scheme"), through Trust by way of equity shares acquired/to be acquired through secondary acquisition and / or to be subscribed by the Trust. This will provide flexibility to Trust to acquire shares from secondary market or through subscription of fresh shares of the Company. CFCL Employees Stock Option Scheme 2010 is therefore required to be modified for making provision for purchase of equity shares by the Trust from secondary market. Some other changes are also proposed as enumerated in this statement.

As per ESOS 2010, 41,62,000 stock options (convertible into equal number of equity shares of the Company) can be granted under ESOS 2010. As on June 30, 2015, the Trust was holding 22,53,402 equity shares of the Company and 1,88,800 shares had been transferred to the respective employees in the past upon exercise of stock options by them, aggregating to 24,42,202 equity shares. Hence, the Trust may acquire upto 17,19,798 equity shares (i.e. 41,62,000 minus 24,42,202 equity shares) to meet the requirement of shares upon exercise of the stock options in force and the stock options which may be granted in future.

In pursuance of Section 62 of the Companies Act, 2013, the approval of shareholders is required by special resolution for issue of shares to the employees under a scheme of employees' stock option. Further, in pursuance of ESOP Regulations, no share based benefit scheme shall be offered to employees unless shareholders of the Company approve it by passing a special resolution in general meeting.

In pursuance of section 67(3)(b) of the Companies Act, 2013, read with Rule 16 of the Companies (Share Capital and Debentures) Rules, 2014, the scheme of provision of money for purchase or subscription of shares by trustees for the benefit of employees of the Company is required to be approved through special resolution. As per ESOP Regulations, approval of the shareholders by way of a separate resolution in general meeting is required to be obtained by the Company in case of secondary acquisition for implementation of share based employee benefit schemes.

In pursuance of ESOP Regulations, the details of variations proposed to be made in CFCL Employees Stock Option Scheme 2010 are under:

1. Provision has been made for Trust to purchase shares from the secondary market.
2. The provision for direct subscription of shares by the employees upon exercise of stock option has been deleted as ESOS 2010 envisages secondary acquisition and in such case, as per ESOP Regulations, it has to be implemented through Trust only.
3. The market price of the shares has remained low most of the time after grant of stock options. Hence, the employees have not been able to exercise majority of the stock options granted to them as the market price was lower than the grant price. In order to give more time to the employees for exercise of options, the exercise period is proposed to be increased from five years to eight years from the date of vesting.
4. Certain other changes are proposed to be made mainly to align CFCL Employees Stock Option Scheme 2010 with the requirements under ESOP Regulations.
