

FAMILIARIZATION PROGRAMMES FOR INDEPENDENT DIRECTORS

The familiarization of Independent Directors is an ongoing process in Chambal Fertilisers and Chemicals Limited ("Company"). The Independent Directors of the Company are updated regularly about the Company, its business model and operations, business risks, nature of the industries in which it operates apart from their roles, rights, responsibilities in the Company, etc.

The details of familiarization programmes are as under:

- 1) When a new Independent Director joins the Board of the Company, he is provided with an 'information kit' which includes an overview about the Company and its business, performance of the Company during last three years, Code of Conduct and Ethics and various policies of the Company, information about the subsidiaries and joint venture of the Company, etc.
- 2) The Company may conduct sessions for Independent Directors with the help of in-house team or external experts in order to update and familiarize them about the business of the Company and their roles, responsibilities, duties, rights, etc.
- 3) Presentation on relevant important regulatory and statutory changes (including those related to their rights, duties, roles and responsibilities) are circulated to the Board members from time to time. The Directors are also apprised of these matters in the meetings of the Board and Committees.
- 4) Detailed information on the business and operations of the Company including the performance outlook for the year, performance of the subsidiaries and joint venture, important developments in the industry, business risks, etc. is provided to the Directors on quarterly basis and necessary presentations are also made in this regard in the meetings of the Board / Audit Committee.
- 5) The Independent Directors are provided opportunity of plant visits.
